EXCLUSIVE SIDE HINGED DOORS MOVE UP TO THE PREMIER LEAGUE

The Wessex range of side hinged doors is amongst our most popular ranges. We're improving the performance of our "Exclusive" range of doors by "flowcoating" the back of the door panel. The "flowcoat" provides a much more rigid door panel by encasing the steel bracings in a layer of GRP resin. The new specification is renamed "Premier"

The increased strength is complemented by the neat finish the "flowcoat" gives the back of the door - a smooth wipe clean finish that removes the need for a second skin. The two specifications are summarised below:

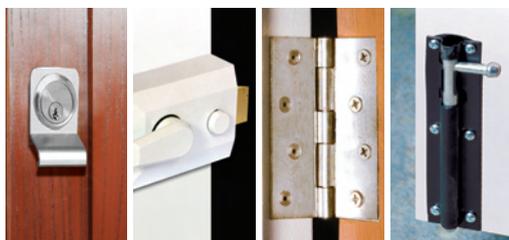

The new stiffer Premier door panel with "flowcoat" wipe clean back

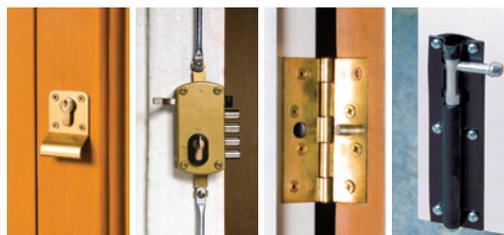

CLASSIC

- Choice of 50mm (standard) or 65mm (optional) Frame
- 3/4 steel hinges per side (dependent on size)
- Silver effect nightlatch with single point latching
- Bonded steel chassis for strength
- Pair of white polyester painted stays
- Two shoot bolts (inactive leaf)
- Draft strip to all 3 sides
- Bottom weather strip
- Outward opening, right hand leading leaf viewed from outside (left hand leading leaf optional extra)

PREMIER

- Choice of 50mm (standard) or 65mm (optional) Frame
- 3/4 brass effect dog bolt hinges per side (dependent on size)
- Brass Eurocylinder nightlatch with double throw deadbolt and multi-point latching
- The rear of the door is reinforced with a steel chassis that is covered with a "flowcoat" of resin for increased rigidity and a neat, light reflecting finish
- Pair of white painted stays
- Two shoot bolts (inactive leaf)
- Draft strip to 3 sides
- Bottom weather strip
- Outward opening, right hand leading leaf viewed from outside (left hand leading leaf optional extra)

The new Premier specification is available now. If you require the Exclusive specification to satisfy existing orders/quotes, please advise as we are able to fulfil orders for a limited period.
